## ESOS welcomes you!

Come join a celebration of Esperanto at TKEK 2006 (TutKalifornia Esperanto Konferenco). The weekend from Friday evening through midday Sunday will be action packed and structured to encourage participation by all. You will have many diverse opportunities to speak and hear Esperanto.

ESOS (Esperanto Society of Sacramento) has been active for over 20 years. ESOS has hosted many Esperanto events, including 3 TKEK's and 2 ELNA conventions.

Davis, a small town with a big university, is noted for its intellectual atmosphere, environmental activism, and civic enthusiasm. The Hallmark Inn is centrally located to local restaurants, art galleries, and theaters. Davis has a large number of restaurants, which collectively offer a diverse sampling of ethnic and traditional foods. There are many boutiques, specialty shops and art galleries in Davis.

## Program

### **Friday evening, March 24:**

Meet with friends old and new at our mixer. You can expect an evening filled with games, conversation, music and other diversions. Light refreshments will be served.

### **Saturday, March 25:**

The formal presentations on Saturday will cover a range of topics from poetry readings to nanotechnology to teaching Esperanto to children. We'll be focusing on our theme Esperanto, the language suitable for any topic. Have an idea for a program topic? Let us know!

For lunch you can eat at one of the many restaurants close to the hotel. Or, this will be a unique opportunity to visit the famous Davis Farmers Market, where you will find many food vendors.

We'll top off the day with a delicious banquet at the nearby Little Prague Bohemian Restaurant. Dinner will be followed by a charity auction to benefit Esperanto projects.

### **Sunday, March 26:**

Choose between three parallel programs scheduled for Sunday morning.

The first track continues the formal presentations as during the Saturday session.

In the second track, join us on a tour of the experimental vineyards of UC Davis, which has the top Viticulture and Enology program in the USA. Followed by a visit to the University's antique machinery collection and restoration facility.

For the third parallel program, Dorothy Holland will administer Esperanto Examinations at three levels depending on demand. Contact her at [dorothyh@west.net](mailto:dorothyh@west.net) for complete information.

Bring your appetite and come enjoy the weather at the finale to our emersion-in-Esperanto weekend: a barbeque picnic in Davis's Central Park, which has a great play structure for children.

Some area day trip attractions within easy reach of Davis are: the Gold Country, the Wineries of the Napa Valley, the California State Capitol, Indian Casinos and numerous museums in Sacramento.
